[illegible]

The diagram illustrates the Thesaurus Editor interface, showing a hierarchical structure of concepts and their relationships. The main components are:

- EDM Group (« Marchés du Fort Nord »)**: The central concept, highlighted in orange.
- EDM Type « Marché »**: A parent concept, highlighted in pink.
- E7 Activity**: A child concept, highlighted in green.
- E52 Time-Span**: A child concept, highlighted in green.
- E32 Authority Document (« Corporations »)**: A child concept, highlighted in red.
- E41 Appellation « Communauté de marchands et de bourgeois »**: A child concept, highlighted in pink.

The relationships between these concepts are indicated by arrows and labels:

- P144.1 kind of member**: Points from EDM Group to EDM Type.
- P144 joined with**: Points from EDM Group to EDM Type.
- P145 sequenced from**: Points from EDM Group to EDM Type.
- P14 correct suit ty**: Points from EDM Group to EDM Type.
- P14.1**: Points from EDM Type to E7 Activity.
- P4 has time-span**: Points from E7 Activity to E52 Time-Span.
- P71 lists**: Points from E32 Authority Document to EDM Group.
- P71 lists**: Points from E32 Authority Document to E41 Appellation.
- P71 lists**: Points from E32 Authority Document to E52 Time-Span.

The diagram also includes a dashed box labeled **OPTIONNEL** (Optional) and a curved arrow labeled **P71 lists** pointing from the EDM Group to the E32 Authority Document.
